

Chapter Officer's Tool Box

Educating your Membership:

We know summertime is extra busy for IPSSA members! Don't forget to educate your chapter members on the importance of staying safe in the sun and heat!

- Wear Sunscreen and Hats
- Drink Lots of Water
- Know the signs of Heat Exhaustion and Heatstroke.

Social Media and YOUR Chapter!

We are always looking to promote our chapters on social media. Posting your events can potentially attract new membership for you!

Send content to: info@ipssa.com

YOU Deserve the Spotlight!

We are seeking article content for the IPSSAN regarding Family Businesses. We would love to hear from those who've started a business and passed it down to or who work side-by-side with a family member. We will cover the successes and struggles of making a family business work.

Interested? All we need from you is 30-minutes for a quick chat with Rose, IPSSA's Executive Director. She will do the rest.

Members who Grow their Business = Happy Members!

What if your local Real Estate Agent had an informative flier they could give to their new homeowners with pools that had an IPSSA member's business card stapled to it?

Real Estate Agents want the best for their clients, this is a natural match!

We have designed an info flier that your Chapter Members can have copied for distribution to their local business partners ...such as an active Real Estate Agency. If you would like a copy of "Why would YOU hire an IPSSA member?"

IPSSA has resources to help your Chapter!

Member Recruitment and Water Safety Literature - IPSSA banners you can display in area Supply Houses

Books to help your new members pass their Required Water Chemistry Exam

Thinking of doing a newsletter for your Chapter? We can provide you will a fillable template!

Blue Cards are now in an electronic fillable form
