IPSSA Chapter Membership Program

When Norwood Associates took the reins of SPEC from Don Burns 10 years ago, the California Pool & Spa Association was born.

Since then, CPSA has:

- Fought off numerous restrictions on water use for swimming pools and spas
- Instituted provisions to the AB 5 independent contractor legislation to support service
- Filed comments in opposition to proposed bans on the use of natural gas
- Defeated licensing requirements proposed by the Department of Pesticide Regulation
- Defeated the service tax several times
- Achieved a good compromise on pool barrier legislation
- Sent letters to legislators, regulators, and public health to influence pool service as “essential” during the Coronavirus crisis

Discounted IPSSA Chapter Membership

CPSA is willing to offer a special membership price for an entire IPSSA chapter. If all members of the chapter agree to become a member of CPSA, CPSA will discount the memberships to:

Service Person Membership	\$250
Discount per Member	<u>\$200</u>
Total Member Price	\$ 50 per chapter member

This is a yearly membership for 2020 and will expire the same month 2021 when a renegotiation for renewal will occur. This does not include chapter members that are already members of CPSA. Chapters will not have to pay the \$50 for existing members.

Each member will receive the full benefits of CPSA including, but not limited to:

- Access to all educational webinar videos and some Pool Pro Podcast videos
- Discounts on educational programs and events
- Representation at the capitol and local jurisdictions in CA
