

WHY SHOULD YOU HIRE AN IPSSA MEMBER TO SERVICE YOUR POOL AND SPA?

The Independent Pool and Spa Service Association, Inc. exists for the mutual professional benefit and growth of its members and for the continued improvement of the pool and spa industry.

1.

Q: How do you know if your Pool and Spa Service Professional is keeping your pool water chemistry in proper balance? Did you know that improper pool chemical balance can lead to swimming irritations and costly repairs later?

A: All IPSSA Members must pass a Water Chemistry or approved Pool/Spa Certification Program when they join. If your Pool and Spa Service Professional is a member of IPSSA, you know they are doing it right!

2.

Q: Who takes care of your pool if your Pool and Spa Service Professional is sick or injured?

3.

Q: Is your Pool Service Professional current on best practices, technology and industry knowledge?

A: IPSSA members learn from top industry experts by attending regular meetings and training. We believe our members should have opportunities to advance their knowledge through trade shows, manufacturer seminars, presentations at chapter meetings and the interaction with fellow IPSSA members.
